

# BRITISH AND COMMONWEALTH SYMPHONIES FROM THE NINETEENTH CENTURY TO THE PRESENT

A Discography of CDs and LPs  
Prepared by Michael Herman

## Ralph Vaughan Williams (1872-1958)

*Born in Down Ampney, Gloucestershire. Generally acknowledged as England's greatest nationalist composer, Vaughan Williams was taught at the Royal College of Music by Hubert Parry and Charles Stanford and received his musical doctorate at Cambridge. He had additional lessons from Max Bruch and Maurice Ravel. During his long life he prolifically produced music in all forms from chamber music to operas. His 9 Symphonies represent the peak of a large orchestral output that includes Concertos for Piano, Violin, Oboe and Bass Tuba as well as such ever-popular favorites as his "Fantasia on a Theme by Thomas Tallis" and "The Lark Ascending."*

### Symphonies Nos. 1 – 9
