

## RUSSIAN, SOVIET & POST-SOVIET SYMPHONIES

A Discography of CDs and LPs  
Prepared by Michael Herman

### **Dmitri Shostakovich (1906-1975)**

*Born in St. Petersburg. He entered the Petrograd Conservatory at age 13 and studied piano with Leonid Nikolayev and composition with Maximilian Steinberg. His graduation piece, the Symphony No. 1, gave him immediate fame and from there he went on to become the greatest composer during the Soviet Era of Russian history despite serious problems with the political and cultural authorities. He also concertized as a pianist and taught at the Moscow Conservatory. He was a prolific composer whose compositions covered almost all genres from operas, ballets and film scores to works for solo instruments and voice.*
